

Shooting Rates

day - \$800
1/2 day - \$500
hourly - \$150

I am considered "Work for Hire". All film, digital or conventional, belongs to the client unless other arrangements are negotiated. The photographer does, however, have the right to reproduce any image for promotional purposes.

Digital Media

(includes computer preparation of digital images and web proofs)
\$50 per unit (one unit is 36 images)

Prints

wallets (8)...	\$30.00	5x7.....	\$20/12	11x14.....	\$70/45
4x6, 4x5.....	\$12/8	8x10.....	\$30/20	16x20.....	\$125/90

4x6 proofs billed at \$4 per photo; 5x7 proofs billed at \$6 (price includes digital media cost)

Instant Studio

The "Instant Studio" is an invention exclusively created and operated by Marc Carver Photography. In an instant, I can take a professional portrait in any kind of setting anywhere in Kansas City. The proof images are placed on my web site for your selection. Your final portrait is completely retouched, finished for web site and magazine reproduction and then burned to a Cd-rom for safe keeping.

\$70 per person \$50 per additional person

image storage

\$50 per DVD or Cd-rom

To finish the assignment, I permanently save to removable media of your choice.

meetings

\$35 per hour / .50 cents per minute

Includes travel time, phone calls, e-mail correspondence.

concept & design

\$100 per hour

Distinct uniqueness requires thorough planning and problem solving. Lighting challenges, set design, and electronic control devices for camera and strobe equipment encompass this service.

props & set building

\$35 per hour + material costs

This service is basically the manual labor involved in making the concept and design stage of the project come true.

travel expenses

\$35 per hour + .41 cents per mile

All out of town travel, lodging and food expenses pertaining to the job will be billed to client.

computer art services

\$100 per hour

Includes negative retouching, glass glare, extensive print alterations.
